Where to Find JustGrants Support

Should you have a question regarding any stage of the grants management process within JustGrants, the JustGrants Training Overview webpage is a critical resource to help you find answers.

The JustGrants training pages provide on-demand access to self-guided eLearning videos, job aid reference guides, checklists, and infographics to support your work wherever you are in the grant life cycle.

Training topics include everything from entity management, application submission, financial reporting, award closeout, and more.

Additionally, the JustGrants team hosts four weekly virtual training sessions on —

- Entity Management
- Application Mechanics: Submitting an Application
- Award Acceptance
- Post-Award Management

Should you need technical assistance with your JustGrants account, the User Support page provides a series of step-by-step instructions to resolve some of the most common user support-related questions.
