## Case Status Codes

### Case Status

### Description

#### **Pending-DIAMD- On Boarding**

Indicates creation/verification of Entity/User DIAMD record. Status should clear within 24 hours unless the entity needs to take action to resolve an onboarding issue.

#### **New**

Application has been submitted in Grants.gov and is ready for data entry in JustGrants.

#### **Pending-Draft**

Application has been opened and work has begun.

#### **Submitted**

Application has been submitted to DOJ for review.

# Application

## Case Status Codes

### Case Status

### Description

#### **Pending-Change Requested**

The application has been change requested to the applicant and is in the application submitter's worklist to be edited.

#### **Pending-Financial Change Request**

The application has been change requested by the DOJ Finance Office and is in the application submitter's worklist to be edited.

#### **Resolved-Cancelled**

The solicitation is cancelled, and the managing office will not review any previously initiated or submitted applications under that opportunity ID.

#### **Resolved-Deadline-Passed**

Deadline passed without submission by the applicant in JustGrants.
