Award Acceptance FAQs

Department of Justice (DOJ) award recipients must complete the two-step process of reviewing and accepting (or declining) an award in JustGrants. When DOJ grants an award, the award will become available in your entity's profile in JustGrants and **should be accepted [within 45 days of the award date](#)**.

The two-step process to accept (or decline) an award:

1. **Entity Administrator** first receives an action item to assign contributors or entity users to the award.
2. **Authorized Representative(s)** then receives an action item to accept or decline the award.

Review resources and frequently asked questions (FAQs) related to accepting a DOJ award on the [Award Acceptance](#) website. Award recipients are also encouraged to attend a weekly virtual Q&A session that is specifically structured for Entity Administrators and Authorized Representatives.
