ANNOUNCEMENTS

Important Requirement Updates for OJP Funding Recipients

This year, the Office of Management and Budget (OMB) updated several parts of its government-wide guidance in [Title 2 of the Code of Federal Regulations](#), including the requirements in 2 C.F.R. Part 200, which are commonly referred to as the "Part 200 Uniform Requirements." On October 1, 2024, these updated requirements become effective for all OJP applicants and funding recipients.

Please note that OJP's implementation may vary from other federal agencies. See below for information about how these changes affect your OJP awards.

Effective Date: October 1, 2024

- New requirements apply to all non-closed OJP awards on this date.
- For awards made prior to October 1, 2024, the new requirements apply to actions taken by a recipient after October 1, 2024. Examples of such actions include obligating or incurring project costs, making subawards or entering into procurement contracts, negotiating (or re-negotiating) indirect cost rates, and budget and award modifications.
- Requirements are not retroactive to actions taken before October 1, 2024.

Approval for Award Changes Are Still Required

- Follow current prior approval processes for changes in budget, scope, or project period.
