Where To Find DOJ Funding Opportunities

The Department of Justice (DOJ) [Fiscal Year 2024 Program Plan](#) summarizes the funding opportunities to be released, which can help you plan for the funding season ahead.

Open funding opportunities are posted on each agency's website, which are continuously updated as new solicitations become available:

- [Office of Justice Programs \(OJP\) Current Funding Opportunities](#)
- [Office on Violence Against Women \(OVW\) Open Solicitations](#)
- [Office of Community Oriented Policing Services \(COPS Office\) Grants](#)

All open federal funding opportunities can also be found on [Grants.gov](#), where you can sign up to receive notifications about new grants on topics that are important to you. Solicitations are generally released 45-60 days before their submission deadline.
