JUSTICE GRANTS SYSTEM

New grants and payment management systems to be rolled out in October 2020 by the Department of Justice (DOJ) grant making components – [the Office of Community Oriented Policing Services \(COPS Office\)](#), [the Office of Justice Programs \(OJP\)](#), and [the Office on Violence Against Women \(OVW\)](#).

This e-newsletter will provide regular updates and share information to assist everyone with the transition to these new systems.

ANNOUNCEMENTS

Beginning on October 15, 2020, the Department of the Treasury's Automated Standard Application for Payments (ASAP) will replace the Grants Payment Request System (GPRS) for Department of Justice (DOJ) grant payments. In advance of using ASAP, all DOJ grant recipients must register in the ASAP system in order to be able to receive DOJ grant funding.

In the coming days and weeks, enrollment emails will be sent to your organization's SAM Electronic Business Point of Contact (E-Biz POC) inviting them to register your ASAP user community. Refer to the [ASAP Registration Checklist](#) for specific next steps to take. Prompt completion of all items on the ASAP Registration Checklist will prevent payment delays in October 2020.

For those new to ASAP, webinar trainings are currently scheduled to take place over the next several months. Upcoming ASAP training opportunities offered by the Department of the Treasury include:
