There are six foundational roles created to ensure Entity Users have the authority and ability to carry out specific requirements and tasks.

**Entity Administrator**
Manages Entity Users and their roles, information about the organization, and assignments of users associated with different Applications and Awards.

**Application Submitter**
Submits complete Applications on behalf of an organization, including Entity Assurances and Certifications.

**Authorized Representative**
Enters into an agreement on behalf of the Entity and binds it to the Award terms and conditions.

**Grant Award Administrator**
Manages and submits programmatic requirements of Awards, including submission of performance reports, on behalf of an Entity.

**Alternate**
Supports the Grant Award Administrator in carrying out many of the programmatic requirements of Awards.

**Financial Manager**
Certifies and submits financial information and all federal financial reports on behalf of an Entity.

Multiple roles can be assigned to a single user.
