Terminology
Terminology – Performance Report

• Performance reports, also referred to as progress reports, provide information relevant to the performance and activities of an award. Performance reports may include reporting on performance measures.

• Progress or performance reports are typically submitted by recipients annually or semi-annually, depending on the award type and program-specific requirements. Contact your grant manager with questions about the reporting type and/or frequency for your award.

• Funds will be placed on suspension if a Performance Report is submitted late.

• The web-based FFR in JustGrants is modeled after the structure of the OMB Standard Form 425 (SF-425).
• The SF-425 FFR must report the actual, CUMULATIVE funds that have been spent (expenditures) and any bills that will be paid (unliquidated obligations incurred) at the recipient/subrecipient level.
• FFRs are completed and submitted by the Financial Manager every quarter.
• Funds will be placed on suspension if an FFR is submitted late.
Terminology – Grant Award Modification (GAM)

• GAMs are requests for modification to key elements of a funded award.
• GAMs are completed and submitted by the Grant Award Administrator. Alternate Grant Award Administrators can initiate but not submit GAMs.
• Most can be initiated by a grantee.
• All GAMs must be approved by DOJ personnel.
Performance Reports and Federal Financial Reports should be opened from the worklist of the assigned Grant Award Administrator or Financial Manager.
