Accepting Fiscal Year 2021 Awards in JustGrants

As awards are being made, this is a reminder that when successful applicants are notified of their awards, the Authorized Representative, Application Submitter, and Entity Administrator will receive an email notification that there is an award to accept. The entire process of reviewing and accepting FY 2021 awards will be completed within JustGrants.

To accept the award, your Authorized Representative will accept or decline the award electronically in JustGrants. With the new system, you do not need to print and sign a PDF.

A few important points to note are listed below:

- Entities must set up their JustGrants account and enroll in ASAP to accept and manage their awards.
- Prior to accepting an award, the Entity Administrator must assign a Financial Manager and a Grant Award Administrator. The Entity Administrator should also review the Authorized Representative assignment made at the time of application to ensure the assignment is correct. Review the <u>JustGrants Roles</u> overview for more information.
- COPS Office grantees will have two Authorized Representatives, and both must accept the award.

To **accept** an award in JustGrants, the Authorized Representative will —

- 1. sign in to <u>JustGrants</u>.
- 2. select an award from My Worklist.
- 3. open and accept the information for each tab of the Award Package page.
- 4. click Accept. (After the Authorized Representative clicks Accept, the system will display a banner indicating that the award has been accepted.)
