Today, the Department of Justice grant making components—the Office of Community Oriented Policing Services (COPS Office), the Office of Justice Programs (OJP), and the Office on Violence Against Women (OVW)—transitioned to one grants management system (JustGrants) for all three grant components and a new payment management system (ASAP).

This e-newsletter provides regular updates and shares information to assist everyone with the transition to these new systems.

Accepting Fiscal Year 2020 Awards in JustGrants

If you were notified of your fiscal year (FY) 2020 award from either the legacy Grants Management System (GMS) or NexGen system and you did not accept your awards in those systems prior to September 23, 2020, you will need to accept your award in JustGrants beginning October 15, 2020.

FY 2020 awards that were not made prior to September 23, 2020, will be made through JustGrants starting on October 15, 2020. You will complete the entire process of reviewing and accepting your award within JustGrants.

The process of accepting or declining an award does not require printing and signing a PDF to accept the award. Instead, it will now be done electronically by your Authorized Representative in JustGrants.

A few important points to note:

- Entities must successfully set up their JustGrants account and enroll in ASAP in order to accept and manage their award(s).
• Prior to accepting an award, the Entity Administrator must assign a finance manager and a grants administrator. Review the [JustGrants Roles](#) overview for more information.

• COPS Office grantees will have two Authorized Representatives, both of whom are required to accept the award.

• Each Authorized Representative, Application Submitter, and Entity Administrator will receive an email notification to accept their award.

When the Authorized Representative(s) logs into their JustGrants account, they will be able view all migrated active awards for their entity.

**To accept an award in JustGrants, follow these instructions:**

1. Sign in to [JustGrants](#).
2. Select an award from “My Worklist.”
3. To accept the award, you need to open and accept the information for each tab of the “Award Details” page.
4. Once you have selected all acceptance boxes in each tab, click “Accept” to proceed. After accepting, the system will display a banner indicating that the award has been accepted.
5. If you do not wish to accept the award, select the “Decline” button to proceed.

Learn more about accepting awards in JustGrants by viewing this [training video](#) and [reference guide](#). To supplement the eLearning videos and job aids, a virtual Q&A session on application submission and award acceptance is scheduled for October 20 at 1:00 p.m., Eastern Time. To learn more about the series of virtual Q&A sessions and to register for the Application Submission and Award Acceptance sessions, visit the [JustGrants Virtual Q&A webpage](#).
