Plan To Attend an Upcoming “Application Mechanics: Submitting an Application” Webinar

Register today!

To provide targeted assistance to applicants applying for Department of Justice (DOJ) funding opportunities, DOJ’s JustGrants team is offering 10 webinar sessions on the application submission process.

Applicants should consider attending one of the sessions between February 11 and March 22, 2021. The upcoming “Application Mechanics: Submitting an Application” webinars will explain—

- steps to take prior to applying for funding;
- how to find open DOJ funding opportunities in Grants.gov;
- how to apply for funding using JustGrants;
- the JustGrants roles and their responsibilities and required actions;
- how to navigate and use JustGrants to submit your application; and
- where to find training materials, job aids, and other resources.

Each session will last approximately 90 minutes. The same content will be covered in each session, with time set aside for questions and answers. Registration for each session will be limited, to allow for the JustGrants team to respond to questions.

Additional session information and application submission training materials are posted on the [Justice Grants Training - Application Submission page](#).
