Subject: JustGrants Update: GMS, NexGen, and GPRS No Longer Available

NEWS AND UPDATES

JUSTgrants
JUSTICE GRANTS SYSTEM

On October 15, 2020, the Department of Justice grant making components—the [Office of Community Oriented Policing Services \(COPS Office\)](#), the [Office of Justice Programs \(OJP\)](#), and the [Office on Violence Against Women \(OVW\)](#)—will transition to one grants management system (JustGrants) for all three grant components and a new payment management system (ASAP).

This e-newsletter will provide regular updates and share information to assist everyone with the transition to these new systems.

ANNOUNCEMENTS

As planned, the Department of Justice's (DOJ) Grants Management System (GMS), NexGen, and the Grants Payment Request System (GPRS) have been disabled for all award recipients.

The full functionality of DOJ's new grants management system, the Justice Grants System (JustGrants), and the ability for award recipients to use the Automated Standard Application for Payments (ASAP) to request payment will first be available on Thursday, October 15, 2020. A reminder to award recipients that have not yet accepted a grant award, you will be able to do this in JustGrants on or after October 15.

To learn more about the new systems, please visit the [Justice Grants Website](#), which contains training materials, FAQs, and user support information. If you are a current award recipient and have any immediate questions or concerns related to your specific grants, please contact your DOJ grant manager.

Additional communications about these transitions and important information will continue to be sent via email updates.
