

# Application Submission

## Validation Errors

As the last step in application submission, you will be presented with the Certify and Submit accordion list displaying all application materials. JustGrants will call out any errors with a red triangle (highlighted below) in any accordions that contains errors.

Click the error message to expand it and review any errors.

**Grant Package ( 00770711 )** DRAFT Due September 1, 2022 4:14:00 PM EDT Actions

• Before proceeding, please address the error(s) indicated below.

JustGrants training resources are now a click away in the JustGrants application. Access training resources directly from the left hand-navigation.

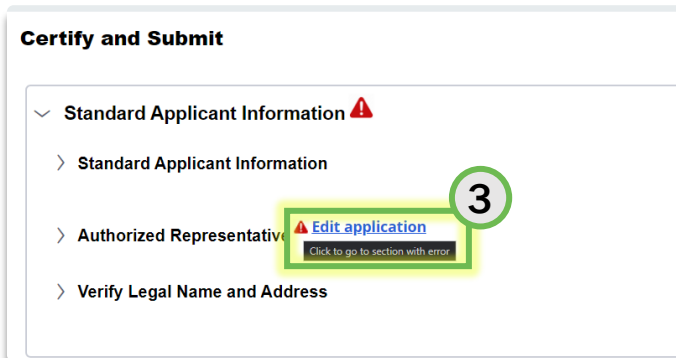

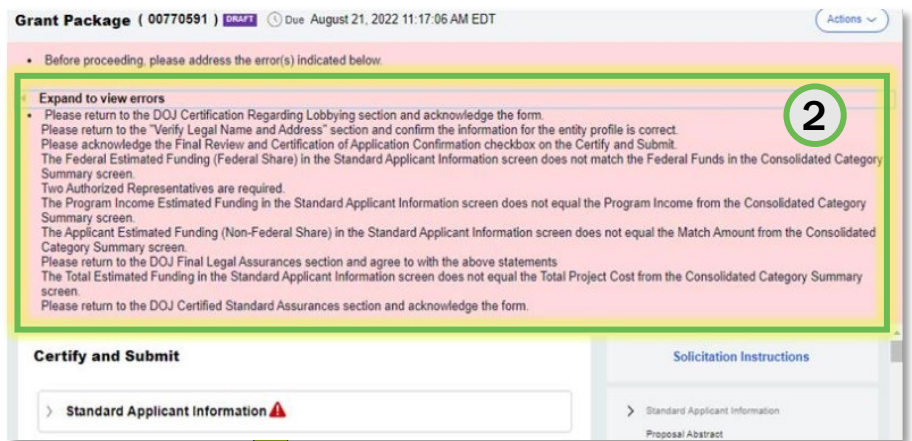

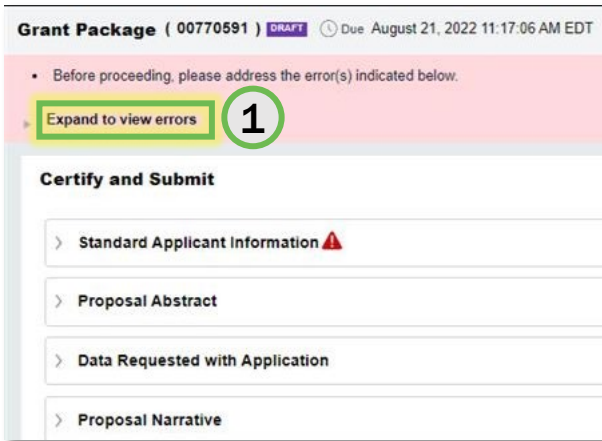

# Application Submission

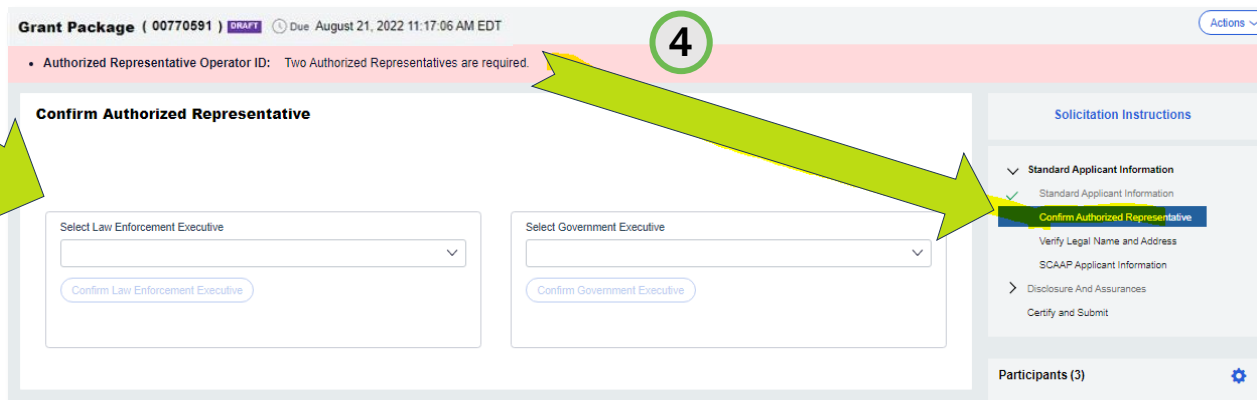

## Validation Errors: Step-by-step

- 1) Open the error list using the “Expand to view errors” caret.
- 2) The error message list will report back any validation errors that you will need to resolve in the application.

- 3) Open the accordions for any section called out with a red triangle to drill down to the specific error location.

- 4) Open the application, resolve any errors and then you can check the Certification of Application confirmation checkbox and submit.
