Award Acceptance Overview

This chart shows the process, roles, and responsibilities involved in Award Acceptance.

Notification

Entity Administrator (EA)
Application Submitter (AS)
Authorized Representative (AR)

Three Entity users are notified by email of award decisions. Notifications are sent to the users assigned to the submitted application.

Assignment

Authorized Representative (AR)
Grant Award Administrator (GAA)
Financial Manager (FM)

The EA must assign these critical users and roles to every award. The award cannot be accepted until the EA has confirmed the assignments.

Accept or Decline

Authorized Representative (AR)

The AR will then follow steps to review the award document, including all award conditions, and accept or decline the award on behalf of their entity.
Award Acceptance Key Points

Award Acceptance is a two-part process that must be taken in JustGrants to accept or decline an award. Award notifications are sent via JustGrants email to the users assigned to the submitted application.

1. The Entity Administrator (EA) must assign or confirm critical users (i.e., Authorized Representative[s] [AR], Financial Manager [FM], Grant Award Administrator [GAA]) for every award.

2. The assigned AR(s) must accept or decline the award.
Award Acceptance Key Points
(COPS Office Awards)

For **Office of Community Oriented Policing Services (COPS)** awards:

- The EA must assign two ARs — AR 1, then AR 2. Both ARs must have the legal authority to enter into contracts, grants, and cooperative agreements with the federal government on the entity’s behalf. The ARs must be legally authorized to agree to the award conditions.
- The ARs must accept the awards in order; AR 1 will access the acceptance task from their worklist. Once AR 1 has completed their task AR 2 will access and complete their task.

For **Law Enforcement** agencies:

- AR 1 is the top Law Enforcement Executive (e.g., chief of police, sheriff, or equivalent).
- AR 2 is the top government executive (e.g., mayor, board chairman, or equivalent).

For **Non-law Enforcement** agencies (institutes of higher education, private organizations, etc.):

- AR 1 is the programmatic official (e.g., provost, superintendent, executive director, chief executive officer, or equivalent).
- AR 2 is the financial official (e.g., chief financial officer, treasurer, or equivalent) with ultimate signatory authority to enter into contracts on the organization’s behalf.
