Introduction and Overview
How to Use this Guide

This Job Aid Reference Guide's (JARG) purpose is to detail the processes used by the Entity Administrator (EA) and Authorized Representative (AR) to perform the following:

• Assign Contributors
• Accept or Decline Funded Awards
• Accept or Decline Supplemental Funded Awards
• Print Award Packages

This JARG is part of a larger training resource library that includes self-guided eLearning videos and infographics. All training resources are accessible on the JustGrants Training and Resources page.

Linked Content

This JARG utilizes a chapter linked Table of Contents. In addition, a link has been included on each page to help the user quickly return to the Table of Contents.

The Home icon is located at the bottom of the page.

IMPORTANT

• The system does not auto save work.
• A warning message displays after ten (10) minutes of inactivity (per security requirements).
• Users are automatically logged out if they are inactive for 15 minutes (per security requirements).
• Unsaved work will not be saved at logout.
Once an entity receives notification of a new award, Entity Users must take steps within JustGrants to assign key users to the new award and officially accept or decline the award.

Three Entity Users, Entity Administrator (EA), ApplicationSubmitter (AS), and Authorized Representative (AR), are notified by email of award decisions. Notifications are sent to the users assigned to the original application process.

Every new award requires an assigned AR, Grant Award Administrator (GAA), and Financial Manager (FM) be assigned. The EA assigns users with these roles.

After award assignments, ARs are prompted to follow a series of steps to review the award document, including all award conditions. ARs must formally accept or decline their award. The ARs must be legally authorized to agree to the award conditions.
Award Acceptance Key Takeaways

An email notification is sent to the AS, AR, and EA to sign and accept their award. The system-generated award notification email is saved in JustGrants for audit purposes and becomes part of the history of the award.

Prior to accepting an award, the EA must assign an AR, FM, and GAA for each award.

When the assigned AR(s) log(s) into the JustGrants, they can view their award acceptance assignments in **My Worklist**. They can view all applications under the Applications menu and all awards under the Awards menu.

The Office of Community Oriented Policing Services (COPS) awards require two ARs assigned to each award; both are required to accept the award.

**NOTE:** Accepting or declining an award can **only** be done through JustGrants.
For **Office of Community Oriented Policing Services (COPS)** awards, the EA must assign two ARs. They serve as the legal recipient representatives who have final responsibility for all programmatic and financial award decisions.

For **Law Enforcement** agencies, the authorized official is the top Law Enforcement Executive (e.g., chief of police, sheriff, or equivalent) and the top government executive (e.g., mayor, board chairman, or equivalent). The Law Enforcement Executive must be assigned the AR 1 role, and the top government executive must be assigned the AR 2 role.

For **Non-law Enforcement** agencies (institutions of higher education, private organizations, etc.), authorized officials are the programmatic officials (e.g., executive director, chief executive officer, or equivalent) and financial officials (e.g., chief financial officer, treasurer, or equivalent) with ultimate signatory authority to enter into contracts on the organization’s behalf. The programmatic official must be assigned the AR 1 role, and the financial official must be assigned the AR 2 role.
The person designated by the Entity Administrator as AR 1 will see the award in their worklist. AR 2 will not see the award in their worklist until AR 1 has completed their acceptance steps.

Either the Law Enforcement Executive or the Non-law Enforcement Executive can be designated AR 1. The EA should assign the AR 1 role to the person that should be the first to follow the acceptance steps.

The Entity Administrator must confirm that the individuals assigned as ARs have the legal authority to enter into contracts, grants, and cooperative agreements with the federal government on the entity’s behalf. ARs must accept or decline the award on the entity's behalf. The ARs must be legally authorized to agree to the award conditions.

Assign Missing Contributors
(Entitiy Administrator)

Step 1

Prior to an award being accepted or declined, the Entity Administrator should follow these steps to assign contributors to the funded award.

1) Sign into JustGrants and select an award from My Worklist that requires contributors to be assigned (PENDING-AWARD EXTERNALS ASSIGNEES) in the Case Status column.
Assign Missing Contributors
( Entity Administrator)

Assign Missing Contributors (Entity Administrator) 

Steps 5 – 7

5) Select the user from the list of assigned user in the dropdown menu who will fulfill that role on this award.

6) Select **OK** associated with the role. **NOTE:** a confirmation window will appear when **OK** is selected for the AR role asking to confirm the user meets requirements to carry out the role.

7) Select the **trash can** icon to remove a user from award.
8) Once the Entity Administrator has added all required contributors to the award, select **Submit** to finalize the assignment process.

**NOTE:** Select **Save** to save work and return later to finish. Select **Cancel** to exit without saving and return to **My Worklist**.
After finalizing the contributor changes, the award status changes from **PENDING-EXTERNAL ASSIGNEE** to **PENDING-AWARD ACCEPTANCE**. The award is then routed to the worklist for the assigned **Authorized Representative**.

**NOTE:** The Authorized Representative assigned to the award has the authority to accept or decline the award on behalf of the entity and the legal authority to enter into contracts, grants, and cooperative agreements with the federal government on behalf of the entity. The Entity Administrator must confirm the individual assigned as the Authorized Representative has the proper authority.

3) **Toggle Award Letter** to display the award letter in a read-only mode.
4) Toggle open each award condition and review **all** award conditions. Review each award section’s checkbox indicating all information presented in that section has been read and understood.
