NEWS AND UPDATES

JUSTgrants
JUSTICE GRANTS SYSTEM

New grants and payment management systems to be rolled out in October 2020 by the Department of Justice (DOJ) grant making components — [the Office of Community Oriented Policing Services \(COPS Office\)](#), [the Office of Justice Programs \(OJP\)](#), and [the Office on Violence Against Women \(OVW\)](#).

This e-newsletter will provide regular updates and share information to assist everyone with the transition to these new systems.

ANNOUNCEMENTS

A significant IT modernization effort is currently underway to improve the award recipient experience in managing grant awards by transitioning to one grants management system for all three DOJ grant making components.

Beginning October 15, 2020, the COPS Office, OJP, and OVW will roll out a new grants management system and a new payment management system.

The Justice Grants System (JustGrants) will replace OJP and OVW's current Grants Management System (GMS), as well as the NexGen system used by the COPS Office. Additionally, all three grant making components will transition from the Grants Payment Request System (GPRS) to the Department of the Treasury's Automated Standard Application for Payments (ASAP) system.

DOJ will discontinue the use of its current grants management and payment request systems, including GMS, NexGen, and GPRS, on September 22, 2020. Data for all current active awards from GMS and NexGen will be migrated to JustGrants. This will include all open, active awards and any awards that have not yet reached final closure. Once migrated, all award management activities will take place in JustGrants starting October 15, 2020. During the migration period between September 23 and October 14, 2020, no transactions will take place in GMS, NexGen, or GPRS.

DOJ is committed to keeping award recipients and other stakeholders fully informed to ensure a smooth transition to the new management systems.

Additional resources and training opportunities for the new systems will soon be available on JusticeGrants.usdoj.gov and promoted through this newsletter.

The COPS Office, OJP, and OVW value our grantees' many contributions to promoting public safety, reducing crime, and serving victims. By transitioning to the new systems, we will provide an improved user experience that will allow you to focus on carrying out the important work you do for our Nation.
