JUSTgrants
JUSTICE GRANTS SYSTEM

New grants and payment management systems to be rolled out in October 2020 by the Department of Justice (DOJ) grant making components – [the Office of Community Oriented Policing Services \(COPS Office\)](#), [the Office of Justice Programs \(OJP\)](#), and [the Office on Violence Against Women \(OVW\)](#).

This e-newsletter will provide regular updates and share information to assist everyone with the transition to these new systems.

ANNOUNCEMENTS

The transition to the Justice Grants System (JustGrants) and the Automated Standard Application for Payments (ASAP) is just months away.

Beginning on October 15, JustGrants will replace the Grants Management System (GMS) currently used by OJP and OVW, as well as the NexGen system used by the COPS Office. At the same time, ASAP will replace the Grants Payment Request System (GPRS).

Automated Standard Application for Payments (ASAP)

ASAP registration will take place throughout July and August. Enrollment emails will be sent to your organization's SAM Electronic Business Point of Contact (E-Biz POC). Once you have received your invitation, refer to the [ASAP Registration Checklist](#) for the next steps to take. You have 45 days to complete all of the enrollment steps; if you have not completed all steps within the 45-day timeframe, you will need to start from the beginning.

Grants Management and Payment Systems

The current systems—GMS, NexGen, and GPRS—will be discontinued beginning September 22, 2020. At this time, data and attachments for all current active awards from GMS and NexGen will be migrated to JustGrants. This includes all open, active awards and any awards that have not been programmatically and fiscally closed.

Once migrated, all award management activities will take place in JustGrants beginning on October 15, 2020. Users will not have access to GMS, NexGen, or GPRS after September 22.
